

Al Fresco Supper Concert

Little Yarford Farmhouse, Kingston St. Mary, TA2 8AN
Thursday July 23rd – 6:30 p.m. for 7:30 p.m.

A huge part of 'Taunton Live 2015' is the contribution of our fine **Choir in Residence**, the singers from Lincoln College, Oxford. We feel that we cannot let them go without saying a big 'thank you' for all their hard work and for the fine entertainment they bring to this week.

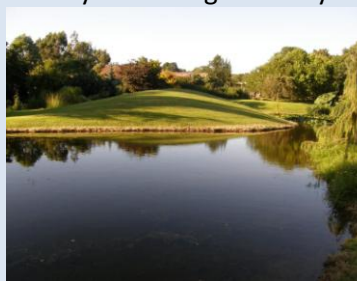

We invite them and you to Kingston St. Mary for an open-air evening of music, chat and good food.

Very generously they have agreed to 'sing for their supper' and for our delight. We have also been promised some 'local' items by **Hilary Marshall** and **Freda Storey**, both of whom are well known in the area for high quality vocal, dramatic (and funny) events.

This evening is being presented on behalf of the Festival's nominated charity 'STAR' which provides Arts and Leisure activities for children in care or at risk.

The venue will be delightful – **Little Yarford Farmhouse** features in the country-wide National Gardens Scheme. Its 5 acres contain ponds, rare tree species and offer an inspirational, magical experience. We are most grateful to Brian and Dilly Bradley for their generosity in hosting this event.

**Tickets £20.00 from Taunton Tourist
Information Centre, 01823 336244
(Festival event no. **F4**)**

**The price includes supper but please bring
